## **Joseph Karam with the package of his achievements**

***Joseph Karam* the music composer and the oriental player of *Nai & Kawala*, is one of those who established the music oriental chamber orchestra ( *Nour El Shark Tarab Aseel*)**

### ***The Authentic Melody of the Light of the Orient***

***Joseph Karam* lives in a vibrant artistic move in his compositions, he is from one achievement to the other with glory, professionalism and experience throughout his journey with big names in the music scene in Lebanon to paving his way in the music world towards launching his new artistic personality which he always worked hard to make it.**

**The composer *Joseph Karam* based in Lebanon met with the conductor & orchestrator *Samer Hatoum* based in Ireland through the historic and oriental musical scales which became forgotten, they met for a common vision to rebirth those historic and oriental musical scales from the eastern history in a classical orchestra style, European standard in orchestration and diving in those oriental scales and their construction which work in harmony with the orchestral dialogue with very special accuracy seen through the classical experience and the profound knowledge in those oriental scales and their contents which connect through their passages time with tune between the east and the west so those compositions work in harmony in such orchestral**

**style to combine the glory of the east with the glory of the west through the orchestration of maestro *Samer Hatoum* ,so those two creative composers meet on a common target to save the East with it's music from the chaos of the mess and what is left to build a new generation to live on the glory of an ancient culture which became forgotten.**

**Maestro *Samer Hatoum* established Talent Music Agency which presents talents and professionals from all over the world and embraces this album knowing that maestro *Hatoum* worked with many new composers in orchestration and score engraving and editing which added a musical print with *Joseph Karam* compositions.**
